Young and Middle-Aged Men Concerned.

> Had a few words to say. To young and middle aged men

wrecked constitutions among young men, the weakened vitality, the shattered nerves, the exhausted energies, the loss of that noble strength and vigor which go to make the perfect man which makes him successful in whatever work or business be undertakes, and if he is

Nerve-Wenkened and Nerve-Exhausted. sapped of vigor and spent of vitality, enervated and debilitated, he will make a pitlable and ab ject failure of his life, his hopes and ambitions, unless he takes means to overcome his weakness and regain his strength.

To such Dr. Greene's ably instructive re marks were at once a revelation, a warning, and an encouragement. Brought in daily contact with so many of these sufferers, he above all other physicians is most eminently qualified to advise, direct, and treat such cases. Himself a man of great sympathies, with a charity and knowledge of the frailty and weakness of human nature, he believes that it is not the physician province to blame men for the results of igno-rance, but rather by good advice, counsel, and encouragement to free the ration's despondent mind from the gloom and weight of apprehen-sion which has heretofore hung over him like a cloud, while at the same time he brings his skill and medicines to bear to gradually but surely restore him to health, strength and vitality. Now, what are the symptoms which indicate this condition of lost vitality!

Extreme nervousness. Loss of memory. Finshing of the face. Duli feeling head and eyes. Nervous tremors and tremblings. Fluttering and palfitation of the heart.

time upon one subject.

Loss of self-confidence, distante for con pany, desire to be alone.

Waking moraings tired and unrefreshed, with great serse of fatigue following drains upon the system.

These are the Marke of the Disease,

is a sad fact that some physicians pretend to regard this complaint lightly, and assure patients that no injury will Mrs. Caywood is a very pretty woman of twenty-five, and is the mother of two children.

This is fal-e, and the physician who makes such a statement does so because he knows absolutely nothing either of the disease or its treatment.

FLINT'S FINE **FURNITURE**

Yet this is continually being done by persons wanting furniture, from lack of knowledge as to who manufactures and who does not. Tes to fity per cent. is the difference between the maker's price and the re-

tailer's price. As manufacturers we offer our goods at this saving. Plain furniture, medium cost furniture and the most elegant that can be made.

Be sure to investigate before ordering "BUY OF THE MAKER."
